STREET SCIENCE

Sensory Science Show & Snow Making Workshop

Dear Parents & Carers

On Monday 16th March, Prep students will be attending a wonderful science incursion presented by Street Science. This incursion will be held during school hours at the school and will provide highly engaging opportunities for enrichment and extension of the concepts that students will be exploring in our science units this year.

The Sensory Science Show is a dynamic and interactive 30-minute science show, focusing on the five senses, materials and movement. The show is followed by hands-on investigation sessions, where each student makes and explores the unique properties of instant snow which they get to keep and take home.

Date: Monday 16th March

Cost: \$14.00

Payment due date: Tuesday 10th March

Payment can be made in the QParents app for financial delegators, Bpoint via the emailed invoice, or Eftpos in the office.

Permission Form: In the **QParents app**.

Approve if attending the incursion, *Deny* if not attending.

Yours sincerely

Prep Teachers
