Learning for Life

Dear Parents & Caregivers,

On **Tuesday 4th June** Year 1 will be travelling by bus to visit the Sir Thomas Brisbane Planetarium and the Botanic Gardens at Mt Coot-tha.

Learners will visit the Planetarium and view a curriculum aligned presentation in the Cosmic Skydome. We will then spend the remainder of the day at the gardens, observing the different plants and landscapes. This excursion links to topics in HASS and Science for the semester and it is anticipated that all children will participate.

To ensure we have enough time to cover our program for the day, students must be at their classroom at 8:45am ready to depart at 9am. We will depart the Botanic Gardens at 2pm and students will go home as per normal at 3pm.
